ADMISSIONS FOR THE SESSION 2026-27 (26-BATCH)

Eligibility Criteria for Bachelor Programs:

Candidates seeking admission to any program under the Regular and/or Self-Financing Schemes must meet at least one of the following eligibility criteria:

- have passed their **HSC-I or Equivalent in the Annual Examination of 2025.**
 - have passed their **HSC-II or Equivalent earlier up to 2023** with at least **60% marks** for all the programs.
 - have passed their **HSC-II or Equivalent earlier up to 2023** with at least **50% marks for all Engineering Technology programs only.**
- Candidates getting admission on the basis of result of HSC-I or Equivalent have to secure at least **60% marks** in HSC-II or Equivalent, otherwise, their admission shall stand cancelled and none of the fees shall be refunded.
- Candidates admitted in Engineering Technology programs have to secure at least **50% marks** in HSC-II or Equivalent, otherwise, their admission shall stand cancelled and **none of the fees shall be refunded.**
- **Grace marks** awarded by the boards for the improvement of grades **shall not be counted** in the eligibility criteria.

The candidates who have switched their group between Pre-Engineering and Pre-Medical, or vice versa are required to upload their slips (provided by the controller of the pertinent education board, as proof) and an affidavit (specimen available on the Admissions Website) on the Admission Portal.

The computation of CPN for candidates will depend on the HSC-I examination marks.

Furthermore, the pre-admission test for such candidates will align with their preferred group. Once they have taken the test within their chosen group, they will only be eligible for admission in disciplines relevant to that group, and no subsequent group changes will be allowed under any circumstances.
