MEHRAN UNIVERSITY OF ENGINEERING AND TECHNOLOGY

JAMSHORO, SINDH. PAKISTAN

ADMISSIONS OPEN FOR BATCH 27

PhD & Masters Degree Programs

Build Your Future with MUET

- Quality Education
- Innovation
- Research
- Global Opportunities

PhD PROGRAMS

- *Applied Mathematics*
- *Bio-Medical Engineering*
- *Chemical Engineering*
- *City and Regional Planning*
- *Civil Engineering*
- *Computer Systems Engineering*
- *Construction Management*
- *Electrical Engineering*
- *Electronic Engineering*
- *Energy Systems Engineering*
- *Environmental Engineering*
- *Geotechnical & Highway Engineering*
- *Hydraulics, Irrigation and Drainage*
- *Integrated Water Resources Management*
- *Industrial Engineering and Management*
- *Management Sciences*
- *Manufacturing Engineering*
- *Mechanical Engineering**
- *Metallurgy and Materials Engineering*
- *Mining Engineering*
- *Petroleum Engineering*
- *Mechatronic Engineering*
- *Science, Technology, and Innovation Policy*
- *Software Engineering*
- *Structural Engineering*
- *Telecommunication Engineering*
- *Textile Engineering*

/----------/

MASTER'S PROGRAMS

- Biomedical Engineering
- Chemical Engineering
- Civil Engineering
- Communication Systems & Networks
- Computer and Information Engineering
- Construction Management
- Electrical Power Engineering
- Electronic Systems Engineering
- Energy Systems Engineering
- Energy and Environmental Engineering
- Environmental Engineering
- Geotechnical and Highway Engineering
- Industrial Automation and Control
- Industrial Engineering & Management
- Information Technology
- Manufacturing Engineering
- Mechatronic Engineering
- Metallurgy and Materials Engineering
- Mining Engineering
- Petroleum Engineering
- Software Engineering
- Structural Engineering
- Telecom. Engineering and Management
- Textile Engineering
- Applied Mathematics (M.Phil.)
- Architecture (M. Arch)
- City & Regional Planning (M.CRP)
- Cyber Security (MS)
- Climate Change & Environmental Informatics (MS)
- Data Science (MS)
- English Linguistics (MS)
- Hydraulics, Irrigation and Drainage (M.S)
- Integrated Water Resources Management (M.S)
- Water, Sanitation and Health Science (M.S)
- **Master's in Business Administration (MBA)**
  - ✓ Business Administration.
  - ✓ Operations Management.
  - ✓ Human Resource Management.
  - ✓ Innovation & Entrepreneurship.
  - ✓ Islamic Banking & Finance
- Human Resource Management (MS)

MASTER'S PROGRAMS OFFERED AT SZAB CAMPUS, KHAIRPUR MIR'S

- Civil Engineering
- Electrical Power Engineering
- Energy Systems Engineering
- Petroleum Engineering

GENERAL ELIGIBILITY

PhD Programs

- Master's (18 Years) in the relevant field of study having minimum CGPA of 3.0 out of 4.0 in the Semester System or 60% in the Annual System as per MUET Grading System).

Master's Programs

- Bachelor Degree (16 years) in relevant field of study having minimum CGPA of 2.0 out of 4.0 in the Semester System or 60% in the Annual System as per MUET Grading System).

ADMISSION TEST

PhD candidates must score at least 60%, and Master's candidates at least 50%, in either pre-admission test conducted by MUET or GRE/HAT General Test conducted by an HEC-accredited body.

APPLICATION PROCEDURE

Apply Online at:

https://ugadmissions.muet.edu.pk/login

◎ For eligibility criteria and more details visit:

https://admissions.muet.edu.pk/phd-masters-degree-programs/

IMPORTANT DATES

Start Date	End Date
20 November 2026	10 December 2026
